

ACCESSORIES AND SPARE PARTS FOR MULTI-STAGE AND MULTI-FUNCTION VACUUM GENERATORS, SERIES MSVE

Cable set with built-in energy saving device

Item	Description
00 15 203	Set of cables with built-in energy saving device for connection to: - Digital vacuum switch - NC micro supply solenoid valve - NC micro ejection solenoid valve Cable length - 5 m

Connector

Item	Description
00 15 157	Connector with LED for micro solenoid valves

Cable with axial connector

Item	Description
00 12 20	Electrical connection cable with M8 - 4 pin axial connector for digital vacuum switch length 5 m

Cable with radial connector

Item	Description
00 12 21	Electrical connection cable with M8 - 4 pin radial connector for digital vacuum switch length 5 m

ACCESSORIES AND SPARE PARTS FOR MULTI-STAGE AND MULTI-FUNCTION VACUUM GENERATORS, SERIES MSVE

NC micro supply solenoid valve

Item	Description
00 07 304	NC micro solenoid valves with built-in low absorption electrical coil and interface

NC supply and blowing micro solenoid valve

ltem	Description
00 15 447	NC micro solenoid valves with built-in low absorption electrical coil and interface

Digital vacuum switch

Item	Description
12 30 10	Digital vacuum switch
